The table below sets out specific conditions for your account. These conditions apply as well as the general terms.

Eligibility	You can have this account if you're 18 or over and live in the UK.
Fee for maintaining the account	There's no monthly fee.
Your interest and when we'll pay it	We don't pay any interest on the account.

Overdraft interest and fees	We'll charge you interest and fees if you use an arranged overdraft.							
	Arranged overdraft interest rate	Representative 29.94% APR / EAR (variable)						
	Maximum monthly charge	£30 This is a cap on the total overdraft interest you may be charged in each monthly statement period.						
	What does APR mean?	What does EAR mean?						
	This is the Annual Percentage Rate. It shows the overall cost of the credit as an annual rate. It takes into account the interest, charges and any other cost involved in getting credit, which makes it easy to compare across the market.	This is the Effective Annual Rate. It represents the yearly cost of an arranged or unarranged overdraft. It takes into account how often we charge interest to the account and does not include any other fees or charges.						
<p>We won't charge you any interest or fees if:</p> <ul style="list-style-type: none"> ◦ you use an unarranged overdraft, ◦ we allow a payment despite lack of funds, or ◦ we refuse a payment due to a lack of funds. <p>Generally, for this account, we won't make a payment if you don't have enough money in your account and we won't give you an unarranged overdraft to cover this.</p> <p>We'll only give you an unarranged overdraft in certain situations if we need to take money out of your account and there isn't enough money in your account to cover this. This may happen, for example, if:</p> <ul style="list-style-type: none"> ◦ a cheque you've paid into your account is returned (i.e., it bounces) ◦ you make a debit card payment 'offline' (such as when you're on a plane) ◦ we take back a refund we've given you because you weren't entitled to it, or ◦ we take a fee from your account. <p>If you have an arranged overdraft on your account and go beyond your limit, you won't be charged any interest on the portion of your balance which is above your limit. But interest will still apply to the portion of your balance within your limit.</p> <p>How much does the overdraft cost in pounds and pence?</p> <p>To help you understand the cost of an overdraft, we've created a table below. It shows how much the cost of borrowing £500 through an arranged overdraft costs for this account. If you borrow more than this or for a longer period, the cost will be proportionate and may be higher.</p> <table> <tr> <th>For 7 days</th><th>For 30 days</th><th>For 60 days</th></tr> <tr> <td>£2.54</td><td>£10.88</td><td>£21.83</td></tr> </table>			For 7 days	For 30 days	For 60 days	£2.54	£10.88	£21.83
For 7 days	For 30 days	For 60 days						
£2.54	£10.88	£21.83						

	<p>This illustration assumes:</p> <ul style="list-style-type: none"> ◦ you're £500 into an arranged overdraft from the first day of the period of illustration ◦ you don't make any payments in or out of your account, and ◦ your statement period starts on the first day of the period of illustration, and the period of illustration starts in a 30-day month. <p>All overdrafts are subject to status. We may need you to repay the amount you owe in full on demand at any time. If our rates and fees increase, we'll give you at least 2 months' notice.</p> <p>Helping you keep on top of your account and overdraft</p> <p>If we have your mobile number, we'll send you free text messages when:</p> <ul style="list-style-type: none"> ◦ you make a payment that may take your account into an unarranged overdraft ◦ we refuse a payment due to lack of funds or intend to refuse a future payment due to lack of funds, or ◦ your account uses an arranged overdraft. <p>We'll send these alerts before we charge you any interest or fees, so you have time to pay money into your account to avoid or reduce these charges. As we send these alerts by text, it's important you tell us if your number changes.</p> <p>You can change or turn off these alerts at any time using Online or Mobile Banking or by contacting us in branch or by phone.</p> <p>If you receive these alerts by email now, you'll continue to unless you change your preferences. We may send alerts by push notification in Mobile Banking in the future.</p> <p>We can also send you other alerts about your account. For example, alerts when your balance falls below a set limit or when you receive a payment above a certain amount. You can find out more about these alerts on our website and register for them in Online or Mobile Banking, in branch or by calling us.</p> <p>You can find out more about overdrafts at santander.co.uk by searching 'overdraft'.</p>
What is a monthly statement period?	<p>This isn't a calendar month. It's usually the period between the date you opened your account (or the monthly anniversary of that date) and the same date in the following month. This is the same period as your monthly statements.</p>
If you change your mind	<p>Tell us if you change your mind</p> <p>You can close your account at any time during your 'cancellation period' – we won't charge you for it. We'll need to do some credit and other checks on you

If you apply for a credit product with us, for example a credit card, a loan or current account that offers an overdraft, we'll carry out a search of your credit file (and your Business credit file if you apply for a Business product) with a credit reference agency before we decide to lend money to you. This search, including details about your application, will be recorded on your credit file. For a short period, this may affect your ability to get credit elsewhere. If you make a joint application, the credit reference agencies will 'link' your records together. We'll look at these results and decide if it's suitable to open the account and offer credit where requested. If it's not, we'll decline your application and let you know. If we give you a credit card, a loan or a bank account, we'll also share information with credit reference agencies about how you manage your account.

Pre-Contractual Explanation

What is an overdraft?

An **arranged overdraft** is a loan through your current account which happens when your balance is below zero and allows you to borrow up to an agreed limit. The amount we agree to lend depends on your personal circumstances. You can discuss a new arranged overdraft, or a limit increase for an existing arranged overdraft through Online Banking, by calling us on **0330 9 123 123** or by speaking to us in branch.

An **unarranged overdraft** is where a transaction takes your balance below zero without an arranged overdraft in place or beyond your agreed arranged overdraft limit. These transactions are automatically treated as requests for an unarranged overdraft.

When you try to make a payment that would take you into an unarranged overdraft, we decide whether to allow the payment to go through based on your individual circumstances. There are certain types of transactions we can't stop which you may incur charges for.

Details of the costs for using an overdraft can be found in your account's Key Facts Document. You can also check how much this may be by using our overdraft cost calculator available at **santander.co.uk**. You can find out if you may be eligible for an overdraft by using the eligibility tool available at **santander.co.uk**

There are other types of borrowing, such as loans and credit cards, which could provide cheaper alternatives depending on your personal circumstances. Visit our website, **santander.co.uk** to find out more.

We can ask you to repay any overdraft at any time in line with our General Terms and Conditions.

Put Simply

An overdraft lets you borrow through your current account. Having an overdraft can be useful as a back-up to help you deal with short term, unexpected costs. It is not suitable for longer term borrowing.

An **arranged overdraft** is when we agree a set amount you can borrow from us. You need to apply for an arranged overdraft before you can use one, either when you apply for a current account or at any time afterwards.

An **unarranged overdraft** is when your account either goes over your arranged overdraft limit or overdrawn without an arranged overdraft in place. We may choose to allow or reject transactions which could take you in an unarranged overdraft. There are certain types of transactions we can't stop which you may incur charges for.

The costs for using an overdraft are set out in your Key Facts Document.

We may ask you to repay all or part of your overdraft at any time, but we'll try to notify you of this before.

How is your credit file impacted by applying for or using an overdraft?

When you apply for a new or an increase to your existing overdraft, we'll perform a 'credit search'. This means we check details of your credit history with certain credit reference agencies who will keep a record of that search including details about your application with us.

If a credit search is completed but we do not give you an overdraft or overdraft increase, or you remain in an overdraft position for a long period of time, a record will stay on the files that the credit agencies keep on you and may impact other provider's decisions.

Put Simply

Because you're asking to borrow from us, we'll check your financial history with the main credit agencies. This is called a credit search. A record of the credit search stays on your file and may affect other provider's decisions.

If you don't make repayments either when due or at our request, this can affect your credit rating. This may make it more difficult or more expensive for you to get credit from us or another lender in the future.

How to request a reduction or a removal of an arranged overdraft?

An overdraft has no fixed end date but we will review it regularly and have the right to change your arranged overdraft limit at any time. You can reduce or cancel your arranged overdraft facility at any point in Online Banking, by calling us or in branch.

If you cancel your arranged overdraft you must repay the money that you have borrowed under your arranged overdraft before the cancellation can be completed. You must also pay all the fees and interest applicable to your overdraft.

Put Simply

Your arranged overdraft doesn't have a specific end date and the amount can be reduced or cancelled at any point by either yourself or us.

If you cancel your arranged overdraft, you must repay the overdraft amount and fees/interest before this can be completed.

What are overdraft alerts and why do you receive them?

To help you manage your money and avoid or reduce any charges you may incur, we will send overdraft text alerts to your most up to date mobile number associated with a specific account. Some of these alerts are a regulatory requirement so you will be automatically registered for them, but you can customise them at any point after your account has been set up.

Put Simply

There are some messages we need to send you about your overdraft due to certain regulations. We'll text these to your mobile number. If you haven't provided an up to date mobile number, we may not be able to provide the alert in time to help you manage, avoid or reduce charges.

Managing your Choice Current Account and making payments

The glossary and the Fee Information Document explain the difference between an arranged and unarranged overdraft, as well as the different types of fees you can incur for arranged and unarranged overdrafts. The Choice Current Account is different from our other current accounts as you can have an arranged overdraft facility (subject to status), but it doesn't normally allow you to request an unarranged overdraft. This means that you can only spend money you have available, which can help you to control your finances.

1. Making payments in and out of your account

The Choice Current Account prevents your account entering an unarranged overdraft by refusing payments due to lack of funds that would cause you to go beyond your arranged overdraft limit or below zero where you have no arranged overdraft in place. These payments could include:

- Direct Debits and standing orders.
- BACS and CHAPs payments
- Cheques, and
- Future dated payments.

What does this mean?

This could mean that important bills and even very small payments may not be paid if you don't have enough money in your account.

If you want us to consider making payments when you don't have enough money in your account, there are other current accounts available. See our website or talk to a member of staff for more information.

Are there any occasions where I may go past my arranged overdraft limit?

While it is unlikely, there may be some circumstances where we are unable to refuse a payment due to lack of funds that could take you into an unarranged overdraft. For example:

- Where the retailer accepts a debit card payment without checking with us that there is enough money in the account.
- If there is not enough money in your account to cover any Santander fees.
- If a payment is made against an uncleared item (such as a cheque) which is later unpaid.

If this happens you won't be charged unarranged overdraft interest. We recommend you check your balance regularly so you can pay money into the account as soon as possible to move back into your arranged overdraft.

Please note: If you transfer from another Santander current account to the Choice Current Account then any authorised payments on your previous account may mean you move into an unarranged overdraft upon transfer.

We recommend setting up your Direct Debits and standing orders to be paid after your payday.

Cards

Unless you tell us otherwise and subject to status, a Santander debit card will be issued to you (if you qualify, this will include contactless).

Your card	Shops	Internet	Cash machine	Abroad
Santander debit card	✓	✓	✓	✓
Cash card	–	–	✓	✓

Fees may apply when using your card abroad. You can only use your cash card abroad to make cash withdrawals via cash machines.

You'll get more information with your card and PIN when they arrive.

Chequebook

A chequebook can be requested (subject to status). Please ask in branch or call **0330 9 123 123** for more details.

Paying money in and out

You can pay in cash or cheques at Santander cash machines in the UK and Santander branches and at a Post Office® branch. You can receive regular payments into your account, such as your salary. If you pay in a cheque at a Post Office branch, we will normally receive it two days later.

You can send money within the UK using Faster Payments, Direct Debits or standing orders. You can also pay bills, set up recurring transactions and make payments in a foreign currency. For more information on any of these or details on when payments clear please refer to the General Terms and Conditions for Current Accounts and Savings Accounts or ask a member of staff.

2. Keeping track of your accounts

Statements

We recommend that you check your statement carefully and let us know as soon as possible if there are any mistakes or any unauthorised transactions by calling us on **0330 9 123 123**. For further information and how we provide you with information on transactions on your account please refer to the General Terms and Conditions for Current Accounts and Savings Accounts.

Going paper-free

You'll receive your documents and statements by post unless you chose paper-free when you applied for your product or have switched to paper-free since opening your account. If you've chosen paper-free, your statements for this product, as well as some of your letters, will be sent to your 'Document Store' in Online Banking. You'll receive an email when a document is ready to view. You can change your preferences on how to receive documents from us within Online Banking at any time.

Access your account via Online, Mobile, Telephone Banking and at a Post Office branch.

- You can also complete balance enquiries, cheque deposits, cash deposits and cash withdrawals using any Post Office branch. For more information about these services, visit **santander.co.uk**
- If you withdraw cash at a Post Office branch, you will need a cash or debit card and your PIN. Opening hours, services and transaction limits may vary.

Account alerts

In addition to the overdraft alerts you will be auto registered for, you can set up different types of free email and text 'Account Alerts' using Online and Mobile Banking, visiting your local branch or calling us on **0330 9 123 123**. For more information visit **santander.co.uk/alerts**

Time to manage your account

If you use an arranged or unarranged overdraft, you'll have until 8pm that day to pay money into your account with cleared funds and move your balance back into your arranged overdraft or into credit and avoid charges. You can set up account alerts to warn you when you don't have enough money in your account to cover a payment. This will give you a chance to put money in your account before 8pm and avoid overdraft interest.

When we do charge overdraft interest, we'll take it from your account 22 days after the end date of the statement in which we've told you about the charges. This means that you'll have plenty of time to make sure you have enough money in your account to cover the charges after we've told you about them.

For more information about ways to manage your account, pick up a leaflet in branch or visit **santander.co.uk**

Additional information

¹ Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

² General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

This method will also be applied if a bank, building society or credit union operates under different trading names. Santander UK plc also trades under cahoot, Santander Business and Santander Corporate & Commercial trading names.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- (b) a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

³ Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴ Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.
